What's New in Version 4.7.8

Diocesan Suite

Subscription Manager

Auto-Renewal Feature Moved to Diocesan Suite

For your convenience, we moved the Auto-Renewal feature in the **Subscription Manager** application from AIM Family Directory to Diocesan Suite. To use this feature to renew expiring subscriptions, complete the following:

1. Log in to Diocesan Suite and select the **Subscription Manager** tab:

2. Click **Auto Renewal** to open the **Auto Renewal** utility:

A screenshot of the "Auto Renewal" utility interface. It features a title bar "Auto Renewal" and an information icon with a text box explaining the utility's purpose. Below this are three rows of input fields: "Subscription Type" with a dropdown menu, "Renew subscriptions that are expiring in:" with "June" and "2021" dropdowns, and "Assign this Start Date to the new subscriptions:" with a date picker. At the bottom are "View" and "Renew" buttons.

Auto Renewal

i The Auto Renewal utility can be used to create new subscription records for those subscriptions that are expiring in the selected month/year for the selected Subscription Type. You can specify the starting date for the new renewal subscriptions.

Subscription Type:

Renew subscriptions that are expiring in:

Assign this Start Date to the new subscriptions:

This utility enables you to find expiring subscriptions and set a date on which they automatically renew.

3. Find subscription records that are due to expire. To do this, complete the following:
 - a) In the **Subscription Type** dropdown list, select the type of subscription records to search for.
 - b) Select the expiry month and year. Then, click .
A list of records matching your search criteria is displayed.
4. To renew all records in the list:
 - a) Type a start date for the subscriptions into the **Assign this Start Date to the new subscriptions** field. Or, click  and select a start date from the displayed calendar.
 - b) Click .

For each subscription in the list, the system creates a new subscription record and schedules the subscription to renew on the date you specified.
