ParishSOFT Family Suite v4.9.21 Release Notes__last updated December 14, 2022

Issues Resolved in Version 4.9.21

Family Directory

Fixed: Member Records with Pending MOC Changes Visible Only to Organization of Registration

Member records with pending changes made through My Own Church (MOC) are visible only to the organization the family is registered to. The records should be visible to all organizations the family belongs to—not just the organization of registration.
