

Ministry Scheduler

Manage volunteers
and schedules
securely on the web.

Volunteer recruitment, tracking, and scheduling tools for parishes

ConnectNow Ministry Scheduler delivers the tools you need to build and nurture a strong volunteer base and create accurate schedules. All while saving countless hours from traditional, manual scheduling processes.

Volunteers can manage their own ministry preferences and availability from the My Own Church portal, so you'll spend less time

managing last-minute schedule changes.

Dashboard-level search, filter, and export capabilities revolutionize reporting, replacing the lengthy trek into layered report menus with a smarter, faster way to work.

All this, in a fresh, browser-based environment that brings

high-efficiency workflows to the parish office. Ministry Scheduler offers automated backups, updates, and secure access from any Internet-connected device.

CONNECTNOW MINISTRY SCHEDULER

is part of ParishSOFT's complete suite of products that help churches manage parishioner information and sacraments, ministries, finances, and reporting from a single, web-based technology platform.

TIME-TESTED BENEFITS PARISH STAFF LOVE

- ★ Parishioner login via My Own Church lets members volunteer and manage their own ministry preferences and availability
- ★ Family and member information is already in the system through your Family Directory program
